## IMPORTANT!

### HVAC INSTALLATION ENFORCEMENT MANDATE

DO THE FOLLOWING TO  
**NOT** BE LIABLE:

1. **Get** your CF1R-ALT02 at CHEERS for no cost. By law, any residential HVAC installation **MUST** have a registered CF1R-ALT02 for permitting and verification. Go to [CHEERS.org/hvac](https://CHEERS.org/hvac)
2. **Apply** for a permit at your local Building Department. By law, **ALL** HVAC installations require a permit.
3. **Obtain** a HERS verification by a 3rd party HERS Rater. It is mandatory that a HERS Rater verifies the installation.
4. **Provide** the Building Department with a Project Status Report (PSR). The PSR will ensure the Building Department is able to quickly close the permit.

Failure to comply may result in fines  
and/or loss of license with the  
Contractor's State Licensing Board
