PRESS RELEASE

FOR RELEASE BETWEEN
Wednesday, June 2 and Friday, June 25, 2021

Road Construction

Shasta Lake, California - The City of Shasta Lake will be performing street paving work at various locations in Shasta Lake between **Monday, June 7 and Friday, June 25, 2021**. Work will be performed Monday through Friday between the hours of approximately 7:00 am and 6:00 pm, weather permitting. A map of the work area is attached.

This work, funded by the State of California Housing and Community Development CDBG program, will be completed in three phases over the next several months. Generally, each phase will be completed over the entire project area prior to the next phase starting at any location. Residents should expect time lapses between each phase of work.

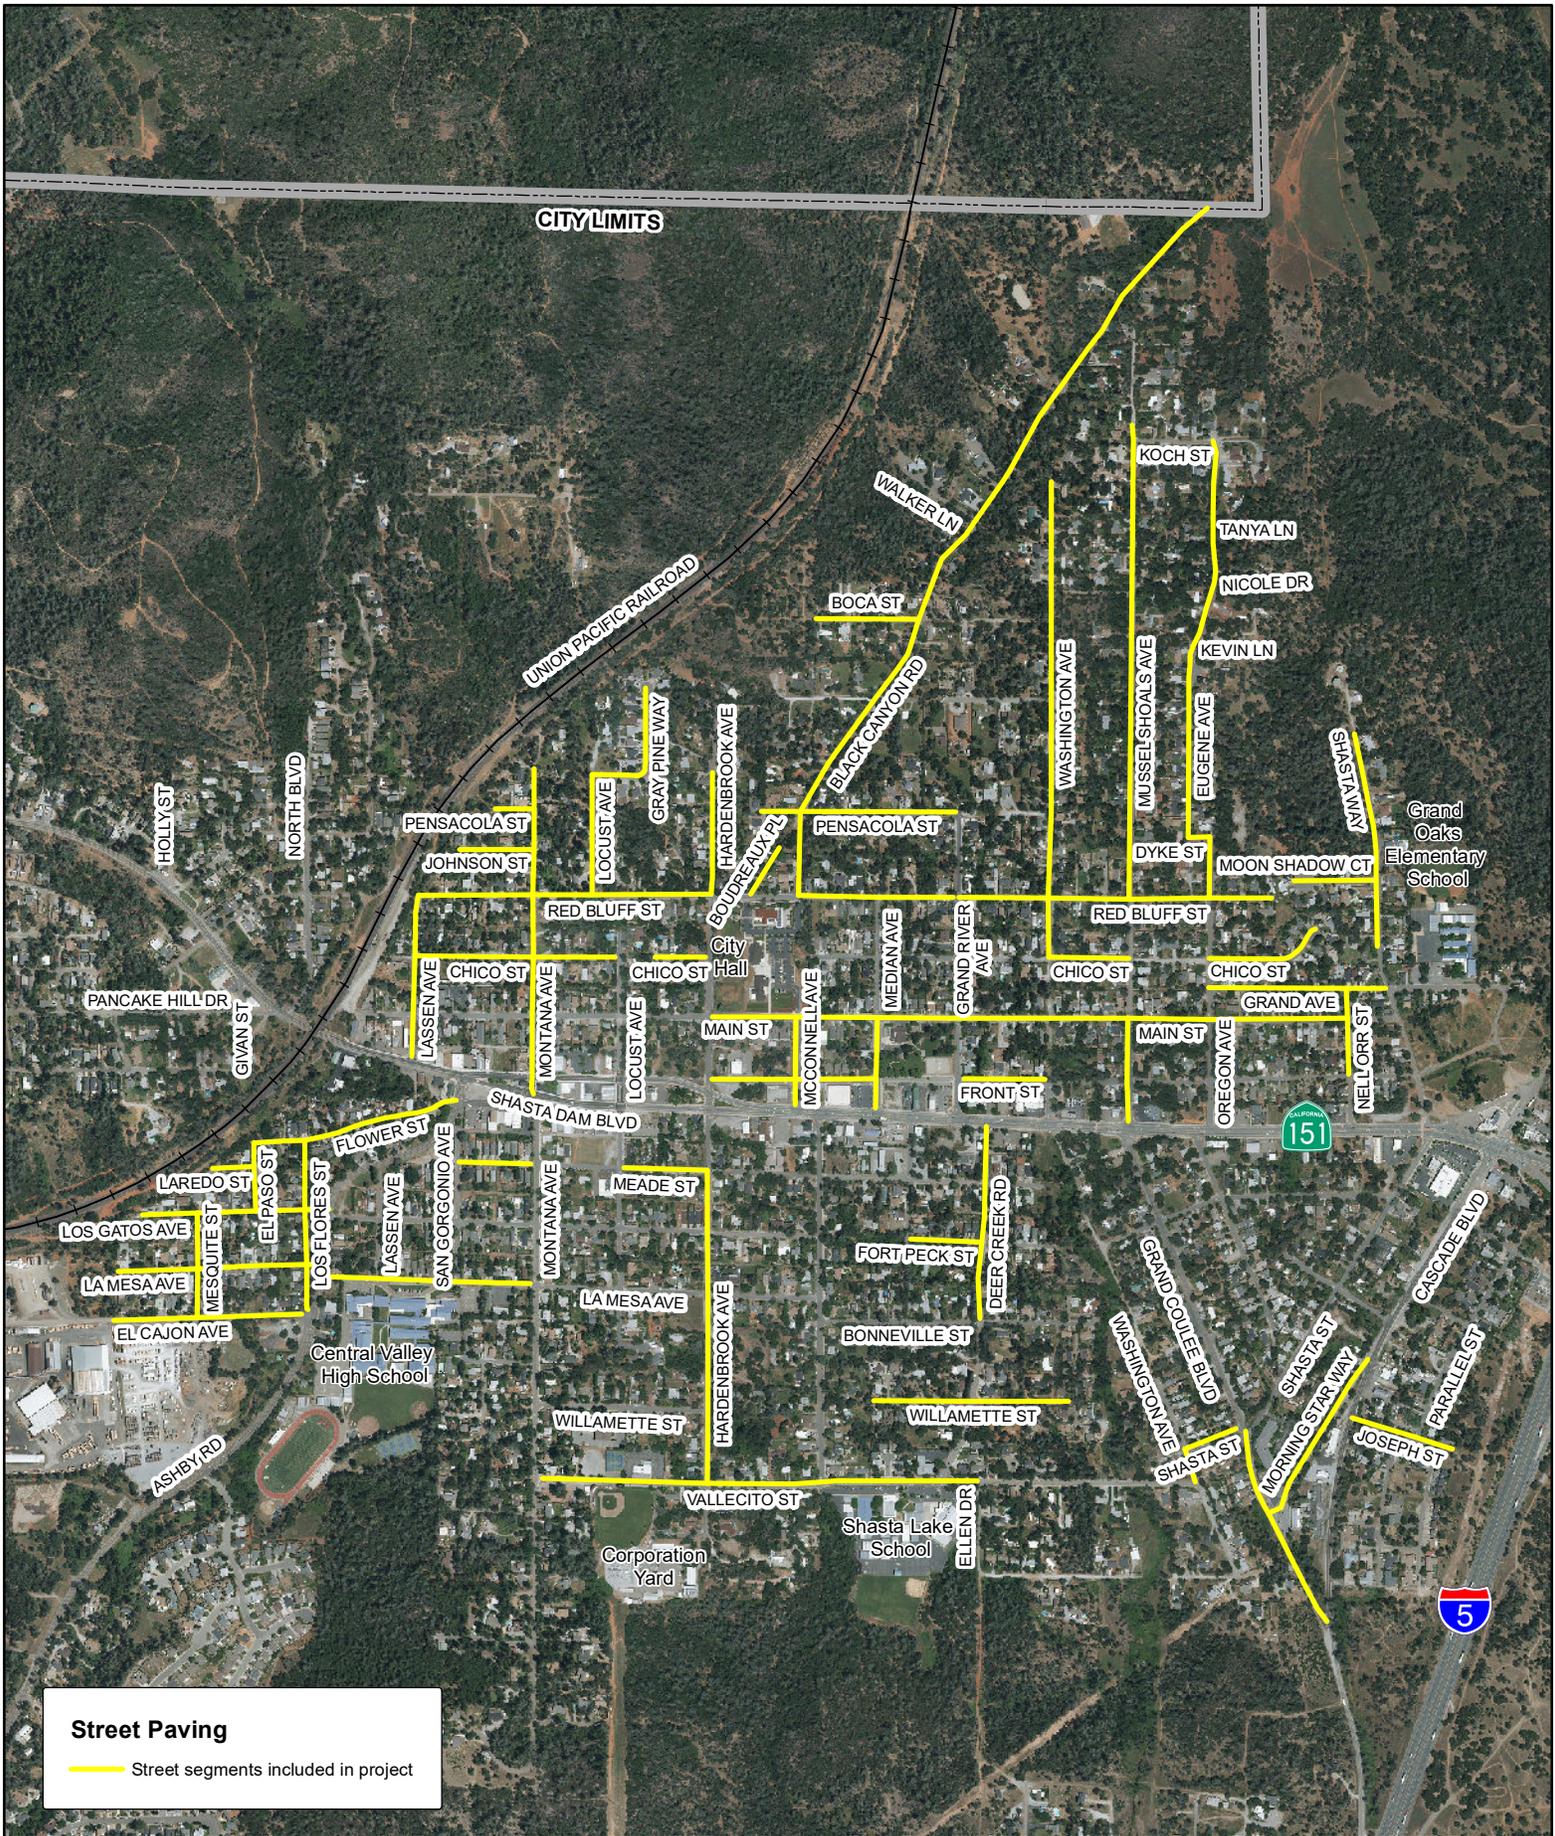

Phase 1 – Grinding out bad areas and patching them back in with hot-mixed asphalt.

Phase 2 – Installation of hot-mixed asphalt leveling course and/or overlay.

Phase 3 – Installation of shoulder backing material and raising of utility access boxes and manholes.

Mail and garbage services should not be disrupted during this time. Residents should anticipate temporary traffic delays and road closures. There will be controlled traffic and detours through the various work areas, and motorists should expect delays of up to 15 minutes. Please drive carefully in the vicinity of this and all work zones. The patience and cooperation of motorists and pedestrians in the vicinity of the work area is greatly appreciated.

For more information, please contact the City of Shasta Lake Public Works Department at (530) 275-7400 or visit the City's project website at cityofshastalake.org/2021streetproject.
