

## Center for Economic Development – Technical Assistance for Businesses

- **Basic Wix website creation with account transfer to client**
  - Includes an About page, Product page (if information is provided) Contact/Location page, and links to social media accounts
  - Required: business name, address, phone number, email and social media account handles (if applicable)
  - Recommended: client provide paragraph about business history/background, provide photos and product descriptions if a product page is desired, client provide label and/or photos/videos -- for a more custom/unique website, it is suggested client provides as much content as possible.
  - Expanded features and services are at expense of client (domain name, shopping cart/e-commerce).
  
- **Social media sample packet**
  - Includes 5 sample posts and suggested posting schedule
    - Choose from: Facebook, Instagram or Twitter sample posts (mix/match available)
  - Recommended: client provide 8 – 10 photos, 1 video
    - If photos/video are not provided by client – industry stock photos will be used
  
- **Social media sample packet**
  - Includes 8 sample posts and suggested posting schedule
    - Choose from: Facebook, Instagram or Twitter sample posts (mix/match available)
  - Recommended: client provide 8 – 10 photos, 1 video
    - If photos/video are not provided by client – industry stock photos will be used
  
- **ESRI Business Analyst Market Region Profiles**
  - Business Market variable assessment – consumer spending (filtered by demographics – spending patterns, age, location), product pricing and income distribution
  - Competitive analysis – assessing similar businesses within a determined geography
